

Further information: adult changing bench

The adult changing bench can be set up in the accessible toilet in the entrance building.

The adult changing bench is 1.80 m long, 90 cm wide and can bear a load of up to 250 kg.

Please speak to the cashier staff, who are trained in setting up and dismantling the bench.

On a few days of the year, the adult changing bench may not be available as it is being used at another location.

If you have any further questions, please contact:
